this abridged edition uses the organization and methods that health law teachers and students have found so helpful over the last eight editions of the casebook this book is designed specifically for survey courses in health law that aim at introducing students to the full range of health law issues in a single survey course as with the full casebook this abridged version includes chapters covering health care quality access equity organization finance and bioethics but some sections and chapters of the full casebook are deleted and note material is less comprehensive this abridged version is well suited for health law courses taught in law schools with a single health law course and for courses taught in health administration public health and medical and other health professions programs the book offers new cases statutory materials and classroom tested problems along with succinct and sharpened notes comments charts and other teaching materials it is fully up to date as of mid 2021 including the many issues raised by the covid 19 pandemic

this is the third edition of the widely acclaimed and successful casebook on contract in the ius commune series developed to be used throughout europe and beyond by anyone who

teaches learns or practises law with a comparative or european perspective the book contains leading cases legislation and other materials from english french and german law as the main representatives of the legal traditions within europe as well as eu legislation and case law and extracts from the principles of european contract law comparisons are also made to other international restatements such as the vienna sales convention the unidroit principles of international commercial contracts the draft common frame of reference and so on materials are chosen and ordered so as to foster comparative study complemented with annotations and comparative overviews prepared by a multinational team the third edition includes many new developments at the eu level including the ill fated proposal for a common european sales law and further developments linked to the digital single market and in national laws in particular the major reform of the french code civil in 2016 and 2018 the uk s consumer rights act 2015 and new cases the principal subjects covered in this book include an overview of eu legislation and of soft law principles and their interrelation with national law the distinctions between contract and property tort and restitution formation and pre contractual liability validity including duties of disclosure interpretation and contents performance and non performance remedies supervening events third parties

this abridged edition continues to use the broad organization that health law teachers and students found so helpful in the last five editions notes material has been trimmed substantially and some cases and sections of the primary casebook have been deleted the authors goal was to create a book better suited for schools that have curricular space for only one course including medical schools and schools of public health

this law school casebook provides updated and revised materials on property rights included are materials on human embryos and human body parts updated materials on gifts including gifts of engagement rings as well as updated materials on tenancy by the entirety readers will also find completely revised and updated coverage of the law of takings and zoning including all supreme court decisions through 2002 and expanded and updated coverage of the law of housing discrimination with increased attention to state and local law issues as well as handicapped and age discrimination under the federal fair housing act

when you purchase a new version of this casebook from the lift program you receive 1 year free digital access to the corresponding examples explanations in your course area now available in an interactive study center examples explanations offer hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics covered in class starting july 1 2017 if your new casebook purchase does not come with an access code on the inside cover of the book please contact wolters kluwer customer service the email address and phone number for customer service are on the copyright page found within the first few pages of your casebook award winning teacher laura little offers a progressive innovative approach to teaching complex material in the new casebook conflict of laws in a subject where there are few right answers and plenty of room for debate this casebook offers a contemporary alternative to the subject by connecting coverage of key issues and concepts to law practice using modern cases and problem pedagogy with its modular design and clear writing the text is highly teachable and sure to be a favorite with both students and professors features award winning teacher and respected author laura little brings her considerable expertise in federal courts conflict of laws and constitutional law to the subject well balanced casebook presents the deep jurisprudential lessons

imbedded in the conflict of laws subject matter proven cases and problems pedagogy helps students apply concepts maintains a clear presentation of doctrines relevant to current law practice thematic approach puts conflicts of law in the context of actual issues confronted in law practice clear straightforward writing avoids the hide the ball approach of many other books and maximizes accessibility to difficult material innovative organization beginning with personal jurisdiction follows the way issues arise in litigation and highlights the importance of forum selection highly adaptable modular presentation allows professors to customize approach contemporary cases and hypotheticals allow students to apply rules to current situations while hallmark cases maintain continuity with the development of the discipline full coverage of current topics such as internet issues same sex marriage choice of law clauses and class actions international and comparative materials cover global aspects of conflicts emphasis on the restatement second of conflicts now the predominant united states approach but insufficiently covered in most other texts online powerpoint slides charts and diagrams support teachabilit

as a part of our casebookplus offering you ll receive a new print book along with lifetime digital access to the downloadable ebook in addition you ll receive 12 month online access to the learning library which includes quizzes tied specifically to your book an outline starter and three leading study aids in that subject and the gilbert law dictionary the included study aids are the law of corporations in a nutshell acing business associations and exam pro on business associations objective this title covers the law of business associations for introductory courses including agency general partnerships closely held corporations publicly held corporations limited partnerships limited liability partnerships and limited liability companies the material on the unincorporated business forms has been revised updated and expanded to reflect the centrality of these forms of business organization in modern law practice and the economy generally among other state and model statutes the uniform llc act 2013 the uniform partnership act 2013 the uniform limited partnership act 2013 the third restatement of agency 2006 and the model business corporation act 2016 are discussed and cited

a rigorous analytical modern and practical approach to the issues and challenges of labor law and labor policy

this casebook raises interesting challenging problems concerning the development of property law property concepts are introduced through cutting edge issues such as intellectual property rights of publicity ownership rights in the human body historical dimensions are presented through discussions of laws which formerly excluded certain individuals from most forms of ownership property control such as native americans african americans women the text covers traditional topics estates in land landlord tenant laws transfers of property private land use controls constitutional limitations on public land use controls teacher s manual available

this abridged edition uses the organization and methods that health law teachers and students have found so helpful over the last seven editions of the casebook this book is designed specifically for survey courses in health law that aim at introducing students to the full range of health law issues in a single survey course as with the full casebook this abridged version includes chapters covering health care quality access organization finance and bioethics but some sections and chapters of the full casebook are deleted and note

material is less comprehensive this abridged version is well suited for health law courses taught in law schools with a single health law course and for courses taught in health administration public health and medical and other health professions programs

this new casebook offers materials that are thorough brief and self sufficient when accompanied by a current copy of the federal rules of evidence professor wellborn has achieved brevity by case selection rigorous editing and concise notes each chapter covers an article of the rules within chapters and sections the materials follow the sequence of the rules except in a few instances where logic required otherwise

this revised and thoroughly updated sixth edition covers significant legislative and judicial developments through august 2022 the authors include new material without overburdening the student or instructor with longer readings by streamlining certain case excerpts being more selective in some instances and making judicious use of notes in other areas organization follows the earlier pattern of introduction trademark right of publicity trade secret idea protection patent copyright law and preemption a combination of central coverage optional extensions and cross references to related material and concepts throughout the book provides instructors the flexibility to use the book in connection with a variety of courses
