this volume which presents a slice of life on the plains during its early settlement adds rich detail to our understanding of the struggle for survival in a harsh landscape that tested the hardest pioneer miner concentrates not only on the major economic events of the period railroad building indian raids the grasshopper invasion of 1874 the blizzard of 1886 but also on the more personal experiences equally important building sod houses choosing crops filing of claims fighting varmints and dealing with the deaths of children on the prairie magnificent a subtle and often moving account of pioneer life a truly splendid book choice regional history at its best many of the traditional tales of early hardships grasshopper plagues indian attacks the stress of loneliness and isolation drought blizzards prairie fires and the unaccustomed hazards of nature are retold with vigor and a sense of immediacy these gritty tales of pioneer persistence and stubbornness are used to illustrate the region's cyclical history of hope and despair not the least of miner's talents is his engaging style images are alive progression of the story lively and the analysis convincing this first rate book is an important addition to the history of kansas and more broadly to the study of western settlement american historical review

located a long way from any ports of call wichita is perhaps the last place where you'd expect to find a diverse culinary

scene from its early days as a rough and tumble cow town on the chisholm trail the city first achieved dining sophistication through the efforts of the thursday afternoon cooking club now the oldest such club in the united states steakhouses in the north end invented and popularized what some consider the city s signature dish garlic salad waves of immigrants from three parts of the world mexico lebanon and vietnam stamped the dining habits of residents with dishes such as piratas shawarma and saigon oriental restaurant s famous no 49 author joe stumpe tells these stories and more while providing nearly two hundred prize recipes from restaurants and home cooks

while the north end has long been the beginning of the american dream for many peoples including african americans southeast asians and anglo americans it is perhaps the mexican american community that most visibly embodies the hopes and struggles in this part of the city the first wave worked in the packinghouses and communities with names such as el huarache la topeka and el rock island emerged nearby as the 20th century unfolded their children and grandchildren established a vibrant neighborhood along twenty first street and broadway in recent years the old industries of the area have faded while a new wave of immigrants from latin america has been able to redefine an area today the mexican american heritage in the north end has become one of its most defining features an example of a broader diversity that has always made this part of the city special from publisher

located in the middle of the nation s heartland wichita kansas has been a regional hub for lgbtq persons forming a community that extended well beyond just local residents in spite of the area s restrictive laws and conservative attitudes these people have since the 1960s found space among an ever fluid bar and club scene and a larger network from community centers to rodeos to religious organizations to art and activism groups it has a history that includes one of the nation s earliest gay rights ordinances as well as pioneering figures in aids research the community has faced discrimination and hostility and the aids crisis since then it has celebrated milestones like the legalization of gay marriage and the losses of many of its key leaders with a legacy that extends from homophile to gender fluid this story provides a window into how lgbtq persons in the center of the country have both faced challenges and lived ordinary lives since 2010 the center of wichita has been a community resource and is proud to preserve the history of the lgbtq community of the region working with a team of researchers and students from wichita state university the center of wichita hopes that this work inspires future collecting and storytelling

the african american community of wichita is as old as the city itself dating back to early pioneers cowboys and business figures once relatively integrated wichita become more segregated as the 20th century unfolded in response african americans developed a lively neighborhood downtown with its own businesses churches schools and organizations world war ii brought new populations to work in the aircraft industry and set the stage for profound changes in the 1950s a younger generation of leaders challenged racism and discrimination unleashing a period of change that was both hopeful and painful in recent years the african american community has become more complex with generations of established families joined by recent transplants emigrants from africa and children of mixed marriages while challenges remain african americans are more visible than ever before in local life evident in politics business sports and education

wichita is the birthplace of pizza hut and white castle but from its early days as a cattle drive stopover on the chisholm trail to its current life as a hub for aviation manufacturing the city has been filled with hundreds of popular restaurants owned by generations of hardworking entrepreneurs the 1920s and 1930s were a time for tearooms like innes and for cafés like holly cafe and fairland cafe the 60s and 70s ushered in swanky private nightclubs like abe s and there are classics like nuway cafe old mill tasty shop and angelo s that are still around today author denise neil details the rich history of wichita s favorite classic eateries
