offering readers an engaging accessible and balanced account of the contributions of american muslims to the contemporary united states this important book serves to clarify misrepresentations and misunderstandings regarding muslim americans and islam unfortunately american mass media representations of muslims whether in news or entertainment are typically negative and one dimensional as a result muslims are frequently viewed negatively by those with minimal knowledge of islam in america this accessible two volume work will help readers to construct an accurate framework for understanding the presence and depictions of muslims in american

society these volumes discuss a uniquely broad array of key topics in american popular culture including jihad and jihadis the hejab veil and burka islamophobia oriental despots arabs muslims in the media and mosque burnings muslims and american popular culture offers more than 40 chapters that serve to debunk the overwhelmingly negative associations of islam in american popular culture and illustrate the tremendous contributions of muslims to the united states across an extended historical period

religious institutions shaped the ways individuals communities and societies responded to hiv and aids since the 1980s this book draws on research studies ranging in context from sites in sub saharan africa to new york city in the usa to examine the complexity of responding to the epidemic both globally and locally religious systems of meaning practices and institutions have been central to the articulation of projects for social change and inversely sometime strongly resistant to change in diverse institutional responses to hiv and aids sometimes religious movements provided powerful forces for community mobilisation in response to the social vulnerability economic exclusion and health problems associated with hiv in other contexts religious cultures have reproduced values and practices that have seriously impeded more effective approaches to mitigate the epidemic by highlighting these complex and sometimes contradictory social processes this book provides new insights about the potential for religious institutions to address the hiv epidemic more effectively more broadly it shows how research can be done on religion in the area of global public health showing how civil society organizations shape opportunities for health promotion a crucial and new area of global public health research this book was originally published as a special issue of global public health

this volume continues documenting the well known excavations at morgantina a greek town in central sicily in a presentation of the largest body of coins ever unearthed at an italian site and published as a group the excavations conducted by princeton university the university of illinois and the university of virginia between 1955 and 1981 produced nearly 10 000 identifiable coins most of them at of sicilian greek and roman issues struck before the end of the first century b c the numismatic evidence not only made possible the initial identification fo the side as morgantina but has subsequently opened the way to reconstructing the history of early roman

republican coinage and the bronze coinage of greek sicily the catalogue presents a full list of the coins found at morgantina through the 1981 season with discussion of significant issues and illustrations of 679 specimens a completed corpus and study of the coins struck at morgantina is also included theodore v buttrey is professor emeritus of classical studies at the university of michigan kenan t erim is professor of classical archaeology at new york university thomas d groves is a graduate student in the department of classical archaeology at princeton university r ross holloway is professor of classical archaeology at brown university originally published in 1990 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

the mid nineteenth century s crimean war is frequently dismissed as an embarrassment an event marred by blunders and an occasion better forgotten in the crimean war and its afterlife lara kriegel sets out to rescue the crimean war from the shadows kriegel offers a fresh account of the conflict and its afterlife revisiting beloved figures like florence nightingale and hallowed events like the charge of the light brigade while also turning attention to newer worthies including mary seacole in this book a series of six case studies transport us from the mid victorian moment to the current day focusing on the heroes institutions and values wrought out of the crucible of the war time and again ordinary britons looked to the war as a template for social formation and a lodestone for national belonging with lucid prose and rich illustrations this book vividly demonstrates the uncanny persistence of a victorian war in the making of modern britain
